The decision and my approach, one that my parents instilled and honed, enabled me to perform in my educational pursuits due to which I received 99.37 Percentile Rank in my Secondary School Certificate examination wherein I got 96 on 100 marks in English and 90 marks in both Mathematics and Science out of 100 marks.

Due to my interest, I took Science stream for my Higher Secondary Certificate education and successfully completed it with 86.50 Percentile Rank and I scored highest in Mathematics and Computer i. e., 73 and 79 marks respectively on the scale of 100 marks. I did my schooling throughout from Darshan High School under Gujarat Secondary and Higher Secondary Education Board. The encouraging and motivating teachers of my school fostered high values and noble qualities in me for which I am grateful for.

Besides achieving the academic results, I have been part of most of extracurricular programs.
