Corruption is an evil that is destroying our nation. At this time, corruption is the biggest problem of our Pakistan. Pakistan needs progress, but corruption is the biggest hurdle in the way of progress. Although, corruption is an international problem, but Pakistan is special victim.

Advanced countries have solved the evil of corruption, but Pakistan is facing dangers of corruption daily. Corruption is termite. This termite is eating the roots of our nation. Corruption is a black mark. In Pakistan, we face many different shapes of corruption. People are facing corruption daily. Corruption has made public life like hell. Corruption finished peace and rest of our nation. Corruption created many other social evils. Dearness is the special result of corruption. Our Govt. is famous for corruption. Our Govt. never gave any attention to corruption and its solution, but now the time is over.

Mostly, the Govt. is involved in corruption. Departments are busy in corruption daily. They are running a rat race in corruption. Some NGOs are spreading corruption. They get benefits, there is corruption in Pakistan; If, some leaders are fan of corruption. They are the ring leader of corruption.

RAW is also spreading corruption, because India wants to make Pakistan weak. USA is also involved in corruption in Pakistan, because USA can control Pakistan. Illiteracy in Pakistan is the major cause of corruption. People are ignorant and they are enjoying corruption. Our rulers are lazy. They are in favour of corruption.

Media is ignoring corruption. T. V. is also neglecting corruption. There are many disadvantages of corruption. Our Pakistan is becoming weak. Governments are lazy. Media is sleeping. Mafia is controlling our system. We are passing dull life. People have no normal values. Governments are evil. Departments are looters. Scholars are sleeping. People are neglecting duties. Nation is in full tension. There are other social evils. Pakistan has no future. Corruption has become our culture. God's torment is very near. We are at the last stage of corruption. Our nation is jumping into dark well.

Corruption should be finished. Governments should be active. Media should show bad results of corruption. Scholars should guide nation against corruption. Our rulers should make law against corruption. There should be strict punishment for corruption. Departments should never accept corruption. Our mothers should create awareness against corruption. We should pass simple life. We should get religious education, if we want to finish corruption. We should get technical education to finish corruption. There should be justice and prosperity in Pakistan. In this way, there will be no corruption.
