

30 day challenge

30 day challenge 1. How you're different on tumblr to how you are in real life. —you're so open on tumblr and not in real life. You let all your feelings out in your blogs but never tell or talk to anyone. 2. Something you're self-conscious about 3. A time you'd rather forget 4. A month/year of your life when you were happiest and why 5. Your favorite 10 ppl right now and why 6. Your least favorite 5 people right now and why (don't need to name them) 7. Something you're really scared of and why 8. Your most "what the fuck was I thinking?" Ex. 9. Something you like that most people hate/something you hate that most people like 10. A time you were in the wrong/treated someone badly 11. A friend you've lost that you're better off without/one you wish you had back 12. Your opinion on your own weight and what classes as too fat and too thin 13. A person you wished lived closer and why 14. Something that makes you really fucking angry 15. 5 things you're looking forward to 16. List how many people you've dated, kissed (approximately) and done stuff with 17. Something that's been on your mind a lot lately 18. 5 favorite girls names and 5 favorite boy names 19. What you'd do if you were invisible for a day 20. Your opinion on cheating on people 21. A date you'd love someone to take you on 22. The subjects you're studying and why/your job and what you think of it 23. Something you're dreading in the next month 24. A bit about your social life outside tumblr 25. Your worst look that you thought was cool at the time 26. Whether you'd rather marry someone who's rich but ugly, or poor but attractive. 27. Someone who really hurt you 28. Your horoscope for today and whether you think it's accurate 29. A picture that comes up when you type your name into google 30. A picture of yourself taken today
