people like that nowadays. He is a grounded kid, and should never change for anything. \_\_\_\_\_ has literally brightened my world, and the light that's shining on it will never burn out. (: What do you think of my essay? How can I fix it? I need the truth. Because I gotta win these tickets. I would do \*anything\* for them. Thanks. 3 years ago Report Abuse Additional Details Surprisingly, it isn't. 3 years ago . Kevin Best Answer - Chosen by Asker Well, you didn't say anything about his music. You just explained his personality. Write what you think about his artistic genius. I'm glad it's not Beiber, I really dislike her. 3 years ago Report Abuse 8 people rated this as good Asker's Rating: Asker's Comment: Good idea. Thank youuu.. Not the right answer? Try Yahoo! I think it would sound better and take your word count down one. You also need an apostrophe after " peoples" in " He's always happy and puts a smile on many other peoples faces." People won't laugh at you (or maybe that is just me, because I probably wouldn't even know who he was). 3 years ago Report Abuse 1 person rated this as good . FALL OUT BOY IS BACK hahaha its justin beiber isnt it anyway I think you should take out the part about Being a pervert and being flirty thats 19 words taken out and if you take out the "

well" before if you really expect me and then take out the and before thats the main reason and take out the other in many other peoples faces that will make it fit good luck :) 3 years ago Report Abuse 2 people rated this as good . {[â,,“ î<sup>1</sup>Ñ, Ñ, â,,“ Ñ”... It's a really good essay and all, i mean it's really descriptive and all but not for this purpose. You describe his " personality" like it's someone you're in love with and known for years, when nobody really knows what their favorite singers personality is like. Your essay sounds like a love letter, the people judging the essays will probably think you're kinda nuts. Maybe you should change it up and try not to describe his " personality" so much like you did, because you never really know what he's really like. Well good luck (: 3 years ago Report Abuse 1 person rated this as good . Discover Questions in Adolescent -I'm sad. I'm 16 and I've spent my whole childhood video gaming by myself.
