pale blue flowers, seeds that yield linseed oil, and slender stems from which a textile fiber is obtained  
french words in hop frog fete and flambeau  
at what time did the orangoutangs appear  
midnight an example of the king showing SOME forethought  
is excluding weapons from the room  
an example of the king being stupid (in setting up the joke)  
allowing himself to be chained and covered in tar and flax  
and allowing hop frog to lock the doors and keep the key  
how were the king and his seven ministers hoisted up?  
the chandelier had been removed so only a chain with a hook remained,  
hop frog attached the hook to the point at which their chains connected  
who worked the chain? some unknown force, probably trippetta  
when was the group hoisted high? after hop frog gave a shrill whistle  
what was the grating sound heard by the kind after throwing trippetta  
and upon being strung halfway to the ceiling the grinding of hop frog's teeth  
ending of the story hop frog and trippetta leave and are never seen again,  
assumed to have gone back to their own country
