The people who destroyed her father's life were known as Victoria Grayson and Conrad who were the head of the global hedge funds. Emily seek for revenge is characterized by multiple killings in order to hide the conspiracy behind her father's killing (TVrage, 2010).

Big bang theory

The big bang theory is a comedy movie aired on CBS that focuses on scientific issues. The actors of the movie are of different racial groups which include Pakistan, Indian and white Americans. Sheldon, one of the actors in the movie is a strict scientist who does not want to get married. He has a

roommate agreement that has to be observed on the sitting location and usage of the bathroom. Howard who is a Pakistan has problem communicating with girls. Priya falls in love with Leonard but they cannot wed because of their racial and religious background. The movie delivers jokes on scientific things like comics (CBSS, 2008).

Person of interest

Person of interest is a drama running on CBS television station. The actors in the movie include John Reese, Kevin Chapman, Michael Emerson, Zoe Morgan and Joss carter. Joss Carter is a black American female actor. Zoe Morgan she is white woman. The first episode of the series was released on September 22, 2011 while the second season is still premiering on television in 2013. The movie story line revolves around a former CIA officer recruited to prevent crimes (TV, 2011).

Findings

Race is a variable used on basis of country of origin and color of the skin of the actor. The different research on the four television series shows a mixture of race on part of the main actors. The series have also included women characters allowing for gender balance. The racial balance has not been observed in the four series where white members of the society are dominant. The TV series on big bang theory has continued to season six because of receiving better rating among its viewers. The TV series are not racist although they provide humor by using racist jokes. The conclusion on racism is arrived after looking at the different reviews from viewers regarding the television shows. The findings have produced details that two

of the shows revolve around crimes, one on family issues while the rest on scientific theorem. The further research of the topic would be carried on the number of viewership to analyze how the movies are famous in the society. The fame of the shows would help in making conclusions on their effect on the society.
