The APA 's statement that a page figure is optional is non acceptable in this category. Page Numberss are required for both citations and paraphrasiss.

Footnotes, endnotes, mentions and bibliographies must be complete. Any societal scientific discipline or legal format is acceptable.

All other direct citations in your paper must be in citation Marks. If you omit a few words or pages in a citation, put the quotation mark in citation Marks and link the two sections by ellipsis ( i. e. , three points ) . If you change one or two words in a citation put your word ( s ) in square brackets. Phrases which are direct quotation marks should be put in citation Marks.

A citation must be followed by its beginning and the page at which it is located. When citing or rephrasing instances with paragraph Numbers, use the parity. figure ( e. g. parity. 142 ) . When citing from an article that uses paragraph Numbers alternatively of the page figure, you may utilize paragraph figure. If utilizing online articles use PDF versions whenever possible so that a page figure is available. If a PDF version is non available, utilize the pages as they appear when the online article is printed in HTML format.

A paraphrasing ( a restatement of person 's thought in your words ) must be followed by a mention to the beginning and page ( or parity. figure, if a instance and for some online articles ) of the thought. Suggestion: if your paraphrasing is about indistinguishable to the original beginning, utilize a direct citation. When rephrasing you may utilize the paragraph figure alternatively of the page figure, where it exists. Note: The APA format which states that a page figure is optional is non acceptable in this category. Page Numbers are required for both citations and paraphrasiss.

Supply a complete commendation ( name of writer and article ) and a website reference for all stuff obtained from the web when a PDF version is

non available. Extra information and web commendations are found in the APA Manual referenced above.

A note about web mentions. The writer of the web site should be used within the organic structure of the paper. The mention provided in your mention list you should include the website reference. The following as an illustration.

British Columbia Ministry of Attorney General. ( 2000 ) . Violence against Women in Relationships Policy. Retrieved April, 2003, from the World Wide Web: [hypertext transfer protocol: //www. pssg. gov. bc. ca/vawc/toc. htm](http://www.pssg.gov.bc.ca/vawc/toc.htm)

Acknowledge the usage of secondary beginnings ( e. g. Smith, 1986 as quoted in Black, 1988 at 24 ) although whenever possible you should mention to the primary beginning.

**Submitting the same or similar assignments in two different classes is a signifier of academic dishonesty, even if you wrote the paper.**

**I will presume that you have read and understood the above instructions. If you do not understand these instructions, please do not waver to discourse them with me BEFORE you submit your paper for rating.**

If you are composing your paper and taking notes or citations from articles, books, the web, or instances, my advice is to set them in citation Markss and note the specific page Numberss the first clip about. If you are rephrasing, note the page from where you have obtained the thoughts. This attack will salvage you a batch of clip and maintain you from plagiarising stuff.

## **Checklist for Final Paper**

Ensure that your paper is firmly fastened together. If you do not hold a stapling machine that is equal usage a cartridge holder that is really unafraid and will not acquire caught on other documents or fall off easy.

Please do not utilize binders or plastic screens, duotangs, booklets or other similar things in setting your paper together. These merely make the heap of documents heavier and by and large do the documents to fall all over the topographic point when they are in hemorrhoids.
