

Correctional systems: history, development and practices assignment

**ASSIGN
BUSTER**

Corrections Timeline This assignment supports the following outcomes: ;

Illustrate the history and development of correctional systems. ; Analyze how

past correctional practices influence the contemporary correctional system. ;

Defend your recommendations for improving the current correctional

system. Assignment For this assignment, you are to conduct background

research and develop a time-line on the history of corrections.

Deliverables Develop a timeline covering four eras within the correctional

system. Select four of the following eras to research and summarize In your

timeline In chronological orderYour timeline must Include the following

elements for each era: ; Description of the treatment and punishment of

offenders. ; Description of the secure holding and / or monitoring of

offenders. ; Description of alternatives to incarceration. Description of how, if

at all, the correctional practices of the era influenced the correctional system

and related policies In effect today. ; Indication of which of the four eras

researched was the most beneficial to the correctional system and why.

Citation references for resource(s) used to conduct research. Using your

acquired knowledge of corrections, provide a written response including your

recommendations for ways in which the current correctional system could be

improved upon. Provide a rationale for each of your recommendations.

Your faculty member will provide guidance around the written response

length requirements. You MUST Include In-text citations as well as a

Bibliography/References page In order to receive any credit for the

assignment. Grading Criteria The Corrections Timeline Grading Sheet

provided by your instructor will be used to evaluate your assignment.
