

Ukraine: victim of
mmm ponzi suffers
from self-made bomb

Again Ukraine makes news about crime in connection to a ponzi scheme.

A 48 years old resident of Krivoy Rog, Ukrainelost 1000 hryvnia (\$123) in the collapsed russian online cash gifting ponzi scheme MMM , meanwhile his upline (a promoter who introduced him to the scheme) bought a brand new car “ Niva” with the ponzi and commission proceeds. On night of July 20-21 our hero constructed a self made bomb with equivalent of 90 grams of TNT and tried to attach it with a magnet to his up-liner’s car, but bomb detonated as soon as he did and he lost a palm of his left hand.

He is currently hospitalized and charged with article 121 (grievous bodily harm)and 194 (intentional destruction or damage of property) of Criminal Code of Ukraine.
