

I was wrong

I was wrong writing service in java I thought we would be together for 4ever ??!. I was wrong I thought we had the perfect relationship??! again I was wrong I was waiting for my three days after??! not going to happen I thought you love me like I loved you??!.

wrong I gave you my all. I told you everything about me and what do I get an ass to kiss, when all I wanted was a hand to hold This is the story of my life I feel for the perfect man but he did not fall for me I gave him my all and I still do not know him So how can I love someone who I don't even know it simple he is everything I have ever wanted and I am nothing Why would he even want to be with someone like me 5 kids no job no place to call my own I cant even love myself fully but I expect him to what was I thinking He says its complicated I don't understand when I thought we was perfect I guess perfect is only real when on tv, books and cartoon All I ever wanted was the popeye the sailor man love when all I keep getting is spongebob and patrick kind of love Why is it so hard I don't understand I thought this was real I thought we was forever I thought all fuck it I guess this is what I get they say you cannot turn a hoe into a house wife. When I was younger I slept with more boys than I remember and I told him maybe that was it I don't understand I guess I will never understand life, love, happiness. How can I mentor young girls when I still do not know?!. fuck dreams, fuck life fuck love.
