

# Math song payphone essay sample

**ASSIGN  
BUSTER**

I'm at a classroom trying to solve this math problem given by you. Where should I go now can you help me, I cannot take this anymore. Yeah, I, I know its hard to remember The lessons that you have taught Its even harder to picture that I can pass this exam

You said this subject is easy but now what is going on

And then that time that you said came we are all nervous

But now I'm trying to cope up with your solution even its hard, To gain confidence to answer your problems

Still I am trying to understand

I'm at a classroom trying to solve this math problem given by you Where should I go now can you help me, I cannot take this anymore If Mathematics problem did exist I would still be solving you like this I promise I will listen every time

I promise to get higher grade tonight

Now I'm at a classroom

Give me one whole sheet I'll be here solving all this problem While you're looking around

Wondering what?

The solution will I use , I made it from the first, but now when you see me I'm stunning And all my answer starts with picking of letter

Telling me the answer calculus? Or whatever you call it

So ill never forget it need you help on this test

Coz' I don't wanna fail it

Swish, what a shame could have got picked

Had a really long time but I missed the last part

So you talk about my answer at the back Or what I could've wrote But sad to say it's over for

My answers are wrong, They are very wrong

Wish I have brain, got what you was thinking for

Now my score? I don't want

To know so you can go and take that little piece of test with you I'm at a classroom trying to solve this math problem given by you Where should I go now can you help me I cannot take this anymore If mathematics problems did exist I would still be solving you like this I promise I will listen every time

I promise to get higher grades tonight

Now I'm at a classroom
