AoD Family Rules

- do not hit more than 10 levels below you except during war
- do not steal RVs (exception to this rule is made if you are at war and the other alliance steals rvs first)
- do not steal Ops
- a player in ruins, who is also still in an alliance is not an open target for taking ops or rvs, the assets belong to the alliance
- If a player is on fire, find another target
- do not hit a target more than once / week unless at war
