It contains all the germane information that a student requires while embarking on the professional education at University. We urge you to read this hand book and refer to it throughout your programme. It blankets information about all the aspects of a student's life - be it academics, campus life, hostel life or the numerous services/facilities provided by the University. It also provides an insight on various extra-curricular activities like cultural, sports, literary, social and creative. Utilize these varied platforms is an easy way to become a part of the University community and thus create one's own LPU experience. 1 in terms of number of students on a single campus Freshmen Induction Lovely

Professional University has taken the initiative of 'transforming India' by truly 'transforming education' as necessitated by the world in the present scenario. It aspires at enlightening the youth to rediscover the positivism that dwells within them and pursuit them to take a step forward to become a 'Verto'-the true transformers. LPU purports to become a “ Proudly Indian, Truly global" University thus believing in an exposure that could match the global standards while respecting the traditions and values of India. In order to inculcate you the system of the University, Freshman Induction is planned before the beginning of your professional career with us. “ Freshmen Induction" is a unique attempt that not only introduces the students with the systems of the University but 2012 also precedes them with the varied platforms available in the University for enriching and exhibiting their potential. Your first three days at the University will be devoted for Induction sessions. These Induction sessions will acquaint you with the basic information and knowledge about the University that you need as a student. Events and activities are planned and scheduled in such a manner so as to provide you ample opportunity not only to familiarize you with various aspects of the university but also to interact and mingle with students, teachers and dignitaries of the University. Also you would enjoy various cultural, sports and fun activities during the event. Academics Some Important terms/Terms in use ⓘ® Freshman: A student who is registering for the first time for a particular programme in the University will be 'Freshman' for that particular programme. Registration Number: It is a unique number allotted to a student on his/her admission in a particular programme. Registration number of a student remains invariant throughout

the duration of his programme at the University. Roll Number: It is a number allotted to a student in every term. Programme: It is the area of study leading to the conferment or award of a degree, diploma, certificate or any other academic distinction or title of the University. It shall also include dual degree and integrated programmes.  Programme Detail: It refers to the scheme and curriculum of a programme. Course: A prescribed set of instructions in a subject offered as a unit of studies within a Programme. Course Detail: It refers to the detailed syllabus of a course. ETE: The examination held at the end of each term by the University. MTE: The examination held in the middle of a term by the University. LTP: It means number of hours of Lecture, Tutorial and Practical of a course per week in a term. Pre-requisites: It refers to conditions that must   Examination   be met before a student can register for a course. Prerequisites can include a specific skill level (e. g., a minimum of C grade in a specified course) or Pass in a specific course or any other as specified for a course.     Academic Counsellor: A faculty member who has been assigned the task of providing the course- specific and programme-specific information to a group of students and to advise them on registration related and other academic matters. Continuing Student: A student who has registered for at least one term prior to the current term.    The academia of Lovely Professional University is governed by the rules called “ Academic and Examination Rules for Regular Programmes of Lovely Professional University” which are subject to amendment from time to time as per the discretion of the University. Given below are some of the important points of the rules. After the confirmation of

the registration of courses, a student is evaluated on some components.

Components of Evaluation The total marks for each course at the end of term will be calculated by adding the marks of following components: ❖®

Attendance ❖® Continuous Assessment (CA) ❖® Mid-term examination (MTE) ❖® End-term examination (ETE) ❖® Any other, as decided by the

University. **Attendance** Attendance is a vital component of our academic system. An attendance of 75% is compulsory for appearing in the End Term Examination (ETE). deduction of marks or no marks for that particular

component. A student is encouraged to prepare the assignments on his/her own and not copy from peers/classmates or directly from the internet

because copy cases are dealt with strictly. **Continuous Assessment** LPU believes in assessing/evaluating the students not only at the time of

examinations but throughout the term. We give a student multiple opportunities to perform and to improve his/her performance throughout the term. Under this practice, a student is expected to work on various

'academic tasks' e. g. assignments, projects, tests, quizzes, design problems or case studies. The 'academic tasks' vary according to the nature of the

programme. All these components and their weightages are communicated to the students through the Instruction Plans (IPs) at the start of the term

that are available on the UMS. A student is required to make the submissions on or before the stipulated time, failing which leads to the Mid-term

examination (MTE) The purpose of MTE is to prepare the students for End Term Examination in terms of structure/pattern of Question paper and time

management during the written examination. It is generally conducted in the mid of the term (after half the session is over) and includes approximately

50% of the total syllabus of the course. End-term examination (ETE) These examinations are conducted by the University at the end of term. It includes the examination of all the courses which may be in the form of written examination, practical, viva-voce, presentation or any other prescribed mode of conducting evaluation. Evaluated answer scripts of MTE and ETE are shown to the students on a specified date before the finalisation of awards. The answer sheets are only shown as per the schedule of scrutiny, which is made available on the UMS. In case a student fails to appear on the day of scrutiny, no provision is available for viewing the answer sheets later.

Academics Examination System of Evaluation & Option 1: Reappear for the

course Option 2: Re-register the course To measure a student's performance

for a particular course, the following letter grades are used: Letter A+ A B BC

CD E F I S U Grade Performance Outstanding Very Good Good Above Average

Average Below average Marginal Reappear Fail Incomplete Satisfactory (For

Zero credits courses only) Unsatisfactory (For Zero credits courses only)

Grade Points 10 9 8 7 6 5 4 0 0 - LPU generally follows grading system, which

is a blend of absolute grading and relative grading. However, in some

programmes such as B. Pharmacy etc. marks based system is followed. A

Student will be given credits for each registered course and will be awarded

grades. For a particular term, TGPA (Total Grade Point Average) will be

calculated. Similarly the overall academic performance of a student is

measured by CGPA (Cumulative Grade Point Average). Grade " E" If a

student is not able to pass a course and is awarded an E grade, it must be

converted to a passing grade (A+ to D) by either of the following options:

Option 1: Reappear In this case, there will be a single exam having

weightage equal to weightage of ETE and MTE together for a concerned course. Option 2: Re-register the course as a Backlog course In this case a student needs to attend all the lectures, tutorials, practical and fulfil all the requirements of the course in terms of Attendance, CA, MTE and ETE. He/she may register the course in subsequent term(s) when such course is offered. The student may appear for reappear to pass a course in the immediate next three reappear examinations held after the term in which the student has registered the course in which he has obtained re-appear(E Grade), otherwise it will be automatically converted into Fail Grade " F" and the student has to register it again as a Backlog course. Fees for backlog registration as prescribed by the University will be charged. Grade " F" If a student is awarded Grade " F" in a course then he/she has only one option available i. e. to re-register the course as a backlog course. In this case a student needs to attend all the lectures, tutorials, practicals and fulfil all the requirements of the course in terms of Attendance, CA, MTE and ETE. He/she may register the course in subsequent term(s) when such course is offered. Process of clearing backlog courses may lead to an extension of the programme for such students. Improvement: In case student after obtaining the Pass Grade, wants to improve his/her result, he/she will have two options: Summer Workshops, study tours and training programmes Wherever the curriculum requires the students to undertake summer workshops, study tours and certain training programmes (certificate courses) the same will be arranged by the University. The students will be required to pay fees/expenses for the same. Change of Programme A student under exceptional circumstances may be allowed to change the programme on the

recommendation of designated authority of the University subject to meeting the conditions for such change. A student can apply for transfer of programme only at the end of academic year. The important guidelines such as dates, process and fee will be notified to the students on the University Management System. Minimum Requirement for award of degree Grade-Based Programmes: The minimum CGPA required for the award of Certificate / Diploma / Undergraduate Degree / Postgraduate Degree is 5.0 subject to getting a pass grade i. e. a 'D' or above grade in each of the courses individually. Marks-Based Programmes: The minimum aggregate marks required for the award of a degree/diploma/certificate will be 45%, subject to passing in each of the courses individually. However, if any regulatory body for a particular programme has imposed stricter conditions which are different from those given above, the same shall prevail. The details of re-appearing or re-registering the course are given under the clause of Grade "E" and 'Grade F'. In such cases, best grade out of the previous grade and the current grade will prevail. Promotion condition A student for the Award of a Degree will have to clear all the offered courses. However, there are separate guidelines for promoting a student in the next year. A student has to clear a minimum of 40% of prescribed courses of 1st Year (1st and 2nd term collectively) to get promoted in 2nd Year (3rd Term). A student has to clear a minimum of 50% of prescribed courses of 1st Year and 2nd Year (1st, 2nd, 3rd, 4th term collectively) to get promoted in 3rd Year (5th Term). A student has to clear minimum of 60% of prescribed courses of 1st Year, 2nd Year and 3rd Year (1st, 2nd, 3rd, 4th, 5th, 6th term collectively) to get promoted in 4th Year (7th Term). The promotion of a student to a higher

(degree/diploma/certificate) in a dual degree program will be subject to satisfy the eligibility criteria as prescribed by the University. However, if any regulatory authority has imposed stricter conditions for promotion in a particular programme, the same shall prevail. Department of Records LPU has a dedicated Department for records. The Department of records facilitates the following services: i) Bonafide certificate ii) Character certificate iii) Provision transcript for pass out students iv) Migration certificate for pass out students v) Original transcript for pass out students vi) Term break certificate for railway concession vii) Term break certificate for visiting abroad viii) Rectification of students records such as name, father's name, mother's name, address, contact number, etc. ix) Submission of pending documents x) Verification and process of State Level Scholarships for ST/SC/OBC/PH, etc xi) Loan specific documents xii) You may visit the help window of Department of Records in Block 32 Room 101 Fee & Accounts Online Fee Deposition xiii) Bank Loan Assistance To facilitate students, the University provides assistance to avail educational loans being offered by various banks like Central Bank of India, HDFC Bank, Punjab National Bank, Oriental Bank of Commerce, State Bank of Patiala etc. xiv) The fee is to be paid in the favour of the respective Faculty in which the student has taken admission. arduous, enculturation from peers and joining student clubs are often
reckoned as the three significant things that are said to be component of the
students' University life. To ascertain the same, the University runs a well-
constituted " Division of Student Affairs". Excellence in co-curricular and
extracurricular activities is encouraged by the opening of avenues for the
students to develop a well-round personality. LPU conceives that co-
curricular, extra-curricular, sports and recreation activities are an integral
part of education. It takes sports and recreational activities very seriously
and has the facilities and expertise to affirm this allegiance. It offers

innumerable extracurricular facilities and provides varied platforms for students to learn, practice, amuse, enjoy, perform, compete and fruitfully utilise their time. The Division of Student Affairs (DSA) broadly deals with:

- Designing activities and delivering these through clubs & units
- Let students pursue their common interests by facilitating them to form Student Organizations for those objectives and thereafter let them manage & carry out their activities as an organised body. Various avenues provided to discover, nurture and exhibit one's potential are: “
- Winners don't wait for chances, they take them
- Cultural Activities Sports activities Community Services Student Organizations Student Employment services Student Entrepreneurship Student Projectss “
- Cultural Activities “

Multiculturalism-nourish the roots of your culture Cultural activities are inseparable part of LPU life. (Not to Scale) Jalandhar LPU About Jalandhar Jalandhar is a city in Jalandhar
District in the state of Punjab, India. It is located 144 km northwest of the
state capital, Chandigarh. It was known as Prasthala at the time of the
Mahabharata and as Jullundur in British times. Jalandhar is another name of
Lord Shiva. Jalandhar city is famous for international sports market, surgical
goods and leather tool pouches. About Phagwara Phagwara is a city and a
municipal council in Kapurthala district in North India, in the central part of
the Punjab. The city is internationally recognized because a large amount of
NRI (Non-resident Indian) population belongs to this city. Phagwara is the
main industrial centre in the Kapurthala District because of its good location
on the national highway. This city has many different types of manufacturing
industries, the main ones being textiles, auto components, machine tools
and agricultural implements as well as agriculture services. About Amritsar
Amritsar historically also known as R md spur and colloquially as Ambarsar)
is a city in the north-western part of India. It is the spiritual center for the
Sikh religion and the administrative headquarters of the Amritsar district in
the state of Punjab. It is home to the Harmandir Sahib (referred to as the "
Golden Temple" in the western media), the spiritual and cultural center for
the Sikh religion. This important Sikh shrine attracts more visitors than the
TajMahal with more than 1, 00, 000 visitors on week days alone and is the
most popular destination for Non-resident Indians (NRI) in the whole of India.

The city also houses the Sikh temporal and political authority, Akal Takht, as well as the Sikh Parliament. The main commercial activities include tourism, carpets and fabrics, farm products, handicrafts, service trades, and light engineering. The city is known for its rich cuisine and culture and for the tragic incident of Jallianwala Bagh Massacre in 1919 under British Rule.

Amritsar is home to Central Khalsa Orphanage, which was once a home to Shaheed Udham Singh, a prominent figure in the Indian independence movement. Sri Guru Ram Dass Jee International Airport, has more than 100 domestic and international flights during the week with daily connections to Delhi, Chandigarh, and Jammu in India and international flights to London Heathrow, Doha, Ashgabat, Tashkent, and Toronto. The city is also close to Lahore Airport on the Pakistani side of the border, but has no direct flights to Lahore. About Ludhiana Ludhiana (also Ludhyana) is a city and a municipal corporation in Ludhiana district in the Indian state of Punjab. It is the largest city in the state, with an estimated population of 1, 613, 878 in 2011. The population increases substantially during the crop harvesting season due to migration of laborers from states like Eastern Uttar Pradesh, Bihar, Orissa and Delhi. It has an area of about 310 km². The city stands on the Sutlej River's old bank, 13 km south of its present course. It is a major industrial center of northern India. Ludhiana is a well-known NRI district of Punjab with a large population living abroad in Canada, and the U. S. Ludhiana is famous for Industrial goods, Machine parts, Auto Parts, house hold appliances, hosiery and garments. Ludhiana is Asia's largest hub for Bicycle manufacturing and produces more than 50% of India's bicycle consumption of more than 10 million per annum. Ludhiana also produces 60% of India's

Tractor parts and a large portion of Auto and two-wheeler parts. Many parts used in German cars like BMW and Mercedes are exclusively produced in Ludhiana to satisfy the whole world requirement. It is one of the largest manufacturers of Sewing Machines. Hand tools and precision industrial equipment is another specialty. In the Hosiery industry Ludhiana is famous all over India for its Woolen sweaters and cotton t-shirts. In fact most of the top Indian woolen brands like Monte Carlo are based in Ludhiana
