I am involved in various sports and activities in and out of school. I have played hockey and baseball in the past. I only played hockey for 1 season when I was younger and I played baseball for exactly 9 seasons in a row. Currently I am involved in rugby on my school team and it is a very active sport. I'm also currently involved in football I have played for 5 seasons now for the Mississauga Warriors and I am planning for my future career to become a football player when I get older. I am involved with the "105 Streetsville Army Cadets" I don't plan to be in the army but I like to take leadership roles and very good discipline. Exactly every activity I do involves leadership roles and disciplinary action and I think I have mastered mostly everything I need to be a leader and a role model. Achievements

I have accepted many awards over my years in school and they took a lot of work and effort. Just recently this year I have received a principal's award for "changing the learning environment". I have also received an award in my science class for achieving great behavior as a role model to the other students in the classroom. In the past years in my other schools I have received awards for assignments being handed in on time and for working together with my peers in a group respectfully. I am yet to receive more awards in my school life. I have also received awards and metals for joining the "Healing cycle" which we raise money for cancer and we have a

bikeathon. I do continue every year attending the Healing Cycle.
