

Accomplishment report

Psychology, Success

School is said to be the place where learning takes place, thus pupils learning is a great accomplishment to every school. However accomplishments of school as a basic institution within the community have different dimensions and components to improve and address. In order for this to realize shared efforts are required. For these, the following are the endeavors of Daan Sarile Elementary School for CY 2011.

Trainings/conferences attended-

- Public Accountability and Values Enhancement Seminar- March 23-25.
- t2t Orientation Training Program for Teachers and School Officials-Oct 11-14, 2011.
