

# Mothers available with options of auto ignition

[Business](#), [Industries](#)

Mothers are awesome cooks! Even if they aren't the finest cook, they are always the best for their kids.

They are always in the kitchen whenever their kids and family are hungry. Without any grumbling, they put in their best efforts to present tasty meals every single day. So, for all those mums who have a hard time cooking delicious food for their family, here is some good news for you! Paytm has brought a Kitchen Carnival for you where you can get all your kitchen cooking, storing, serving and dining essentials at great discounts along with flat 35% and 40% cashbacks! Check out these special offers from some of the renowned brands in the industry. Sunflame gas cooktops at flat 40% cashback. Make cooking easier and efficient with the Sunflame gas cooktops built with toughened glass available at amazing Paytm deals! Depending on the size of your family, varieties you cook and your kitchen activities, you can choose from cooktops with 2 burners, 3 burners and 4 burners as per your requirements. Great designs in black and silver options are available with options of auto ignition and manual ignition for you to choose from. Its designed so beautifully that it not only makes cooking easier but also adds beauty and a class to your kitchen.

Preethi gas cooktops at flat 40% cashback. Another name in the cooktops category - Preethi - is also offering its silver, black and grey models in gas cooktops to help you with easy cooking. Like Sunflame, Preethi also offers options of 2 burners, 3 burners and 4 burners but, its models do not have an option of auto ignition. You have no other choice except the manual ignition. However, you can choose the material you would prefer for your cooktop, ranging in brass, aluminum, toughened glass and stainless steel.
