Prepossessing Disrupting the Fitness Industry: From High School Dropouts to Ivy League Biochemists to Fitness Models to Serial Entrepreneurs Four keys to fitness success seminar and a first-of-kind CEO-friendly, non-GEM, USDA certified organic product launch by Dinners & Dinners LLC.

New York, NY, August 25, 2014 /Prepossessing/ - Today, Dinners & Dinners LLC, an organic fitness and nutrition company launched by serial entrepreneurs and identical twin brothers Eugene and Vincent Dinners, announced that they will be hosting a seminar and product launch on September 27th at Columbia University on 16th and Broadway at 1 pm eastern standard time.

Of the company's recent launch, Dinners & Dinners CEO Eugene Dinners said, " We wanted to launch a company that could genuinely help people by providing them with accurate information about health and fitness while also creating a first-of-kind disruptive product line that is proven effective, CEO-friendly, non-GEM, and USDA certified organic. The majority of the fitness industry is inundated with inaccurate misleading information and unhealthy artificial products that do more harm than good. D&D will change that. We are committed to helping people improve their lives by empowering them with the truth about fitness and nutrition.

Moreover, we want to provide healthy, effective, and organic products that people can trust. We know how to build something from nothing and we know that anyone can achieve his or her goals. We are living proof. " The seminar will not be open to the public and tickets will go on sale on a first come first serve basis: General Admission: \$100 PIP Front Row: \$175 PIP
