skin care products. About 700 products being sold in 60 countries around the globe. Hemani herbal and organic products are also available in Pakistan and have affordable prices.

Garnier Hair Colour Range

Garnier is a French company that makes products that are pampering but at drugstore prices. Garnier also have large range of hair colors bronde, ombre, sombre, balayage and many more. The end result depends on your natural hair color. The color lasts about two to three washes so you can play around with different hair colors and your hair is left soft and healthy. It gives you rich, long-lasting color and silky shine at an incredible value. It may be the best to try it. It is also available in Pakistan in huge range and affordable prices.

Toni & Guy Mask

This mask provides intense nourishment to enhance softness and shine. Toni & Guy damage repair mask is your ultimate fashion accessory. It nourishes and does well to the combination of normal to oily (to very rarely dry) scalp and dry splits ended. You surely ended up choosing hair mask having heard greatly about Toni & Guy products in the hair care segments. The mask comes in a white round plastic tub. Mask is white in color. You can apply a very small amount to ends of your hairs. You can use it once a week after shampoo for five minutes and rinse it off thoroughly. Your hair instantly feels soft and no greasy, it is quite easy to rinse off.

Lo'real Hair Serum

If you have frizzy and curly hair, try loreal professional hair serum. This product is also called loreal smooth intense serum, made from Argan oil and silk proteins which deeply nourish the hair. It comes in a golden yellowish bottle. Apply onto washed and dry hair. It is a transparent light fluid applied onto the hair with non-sticky and great fragrance. It contains essential oils which help in transforming dull hair to shiny and smooth. This will surely give your hair a glossy look. The texture and shine of your hair is instantly renewed. Your hair feel smooth and silky, it's a must try as it cost to 240 for a 100ml bottle.
