**ASSIGN  
BUSTER**

Newspaper has been one of the first mediums of mass media. Its popularity grew over the time and even as we have plunged into the world of internet, newspaper continues to be preferred by the masses. Newspaper is a power house of information. It contains news from the world of politics, business, showbiz and more. It makes the general public aware about what's going on around the world.

Newspapers are a medium of information distribution, which could surprisingly cover hundreds of miles in just a matter of few hours. The only drawback of newspapers is that they need to be physically transported from printing press to the readers, before the news gets older. This however, requires an efficient distribution mechanism consisting of road transport and newspaper hawkers who begin their work in the dead of night so that we can read newspaper, sipping morning tea in our gardens.

## **Essay on Newspaper and Its Uses in Our Life – Essay 4 (500 words)**

### Introduction

Newspaper is a periodic publication which contains written information about current events. It covers a wide variety of fields such as politics, business, sports and arts, and also includes content such as opinion columns, weather forecasts, crosswords, editorial cartoons and birth notices.

Though the technology has advanced to a greater level and people can see news on televisions and their mobile phones, people still prefer to buy newspapers and read them. The feeling of reading news through a newspaper will always have more importance and impact on people's mind compared to that gathered by some gadget. One of the reasons for this is

that reading through electronic devices can strain eyes and can even cause serious health issues.

Newspapers help in building people's thoughts, ideas and feelings towards different things. Thus, if the articles in newspapers are correct and neutral then this can lead to formation of strong, unidirectional mental state of the whole civilization leading to the progress of the country. If the news is not true and neutral then it can also lead to the destruction of the whole union. Hence, it is necessary to have newspaper publications that are fearless, intelligent, not belonging to any political party and those that think about nation and their duties towards the nation before their own personal interests. This is how newspapers hold great importance in our ever day lives.

#### Functions of Newspaper and Its Importance in Our Lives

The uses or importance of newspaper in everyday lives can be summarized and easily understood by knowing its functions. So the four major functions of newspapers are as followed:

- **To Inform:** Newspapers provide facts and information to make citizens aware about the things happening around them and stay up to date. This helps in making them build a neutral and right perspective towards the latest scenarios.
- **To Interpret the News:** Newspapers basically provide a better idea about a situation or event, in detail. This may also vary from writer to writer as everyone has their own perspective towards a situation. So, it

is essential for a citizen to take it in a neutral way and build his opinion about it.

- **To Provide Services to Different Professionals:** Newspapers provide information that helps businessmen as well working professionals. New business ideas can be derived looking at how and where the market is heading. Newspaper is also a great place to advertise about ones products and services. It is a great platform for both buyers and sellers. For example, if someone needs to buy vehicle or home, then there are various advertisements which can help them assist in comparing and getting their deals. Newspapers also have a section for the job seekers where they can check for suitable job vacancies and contact their prospective employers.
- **To entertain:** There are some specific sections in the newspaper which are designed to amuse or give enjoyment to readers. This section may contain some puzzles, cartoon sketches, jokes, crosswords, and many such activities. This section helps readers remain engrossed in the news for a longer time. It is a good way of recreation and brings joy. Puzzles and cross words also challenge ones mind and hones problem solving skills.

## Conclusion

There are many other benefits that one gets from reading newspapers, such as improvement in vocabulary and reading efficiency. All of these benefits help readers build their own polished personality which can help them further in their lives.
