By the end of October, Maycomb County pays attention to a Halloween fair that is to be held in the high school auditorium. To prepare for the Halloween fair, Scout is cast in a part of ham which strikes the audience as hilarious. I lurk all night long in the bush to wait for the children go pass to revenge for what their father did for me. An opportunity is coming, Jem is going alone.

Don??™t blame it on me, it is your father??™s sin.??? ??? Run, Scout! Run! Run!??? Jem screamed. ??? Too late, boy??? I catch one of them and stab it with the knife, but the costume make me unable to kill the girl, so I throw her away and look for Jem.

had abandoned me, you pushed me into poor and need.??? ??? My son, you may be angry with me, but my love for you is infinity.

A lot of times I gave you chances to help your family and you used it in drinking. I advised you to live better through Atticus, in the trial and you ignored my love.?????? My God, oh my God, please forgive him, he didn??™t know what he had done.??? Tom asked.??? The purgatory is not the end.

Your soul is being taken to there for purification from sins. It is not too long but it is enough for you to admit your faults.??? God said.??? Oh my Lord, thank you for giving me a chance to glorify your name, and thank you, Tom Robinson. You forgave me.

?????? I am wrong to kill a mockingbird. It??™s my turn.???
