QUESTION 3: What is your opinion of the mischievous acts carried out by Cachuchas? Why they did they do these things? Was their behaviour acceptable? Why or why not? ANSWER: From my opinion, the action carried out by Cachuchas is just to make everybody sense of their presence in school and they want to become attractive in their way so everybody who watch them will follow their style including the nerd (unpopular in school).

Other than that, QUESTION 4: Is it important to know about an artist`s life in order to understand his or her work? ANSWER: Yes. It is important to know about an artist`s life as from their life we can learn what are messages about from the painting. In consequences, we will be become more sharp observer and understand more about painting and art. As we take example, one of the most famous person during renaissances was Leonardo Da Vincci. He was the one who like to do his painting in realist style such as Mona Lisa portrait.

No other painter has been able to express the facial subtleties of the human character with such startling accuracy. Some people wonder why it is that her facial expression seems to change depending on the direction from which you look at her. This is because during painting of Mona Lisa, Leonardo hired a few of clowns to make her happy and not get bored. That`s how Leonardo manipulate the situation. This example shows us clearly why we need to understand extra information about artist`s life and history of his painting.
