The stage directions include a description of Higgins. Summarize what he is like. Scientific type - careless - self-impetuous baby Why does Eliza come to Higgins' laboratory? She wants speech lessons so she can work in a flower shop How does Higgins treat her? Like an object How does Pickering treat her? Like a lady How does Pickering differ from Higgins in character, drive, and attitude? Pickering is sensible and kind; Higgins is indifferent to Eliza seems callous How does Mrs. Pearce react to Eliza? She is the voice of reason - she doesn't think Eliza should be there Mrs. Pearce makes some suggestions to Higgins. What are they? Cuss less, not sit around in his robe What is Mrs. Pearce's biggest concern? What will become of Eliza? How does Higgins respond to Mrs. Pearce's concerns? He dismisses them What is the bet made between Higgins and Pickering? Higgins will pass her off as a Duchess What plan is set in action as a result of the bet? Pickering will pay all costs What reasons does Higgins give for remaining a "confirmed old bachelor"? When he makes friends with a woman he becomes jealous and selfish Eliza is a tough street girl, but Shaw goes to great lengths to establish her innocent nature. Cite some examples. She enjoys her first taxi ride, she is afraid of a bath, adamant about morality Doolittle exposes the pretensions of the "middle class morality", an excuse for never giving to the poor. Why does Doolittle prefer his own "undeserving poverty"? He has no responsibility and can remain so How does Higgins define snobbery?
