

Economic issues simulation paper assignment

**ASSIGN
BUSTER**

Based on your analysis of potential utilization, give at least two reasons why each plan could be selected for each company. Then select one of the two companies and state which plan you would select to sell to that company? What are the reasons for this decision? Why did you not select the other plan offered? * * Your paper should be organized so that each question serves as a subheading followed by the discussion, I. E. Two Reasons Why Each Plan Could Be Selected, Which Plan Selected and Reasons for the Decision, and Why the Other Plan Were Eliminated. * * Include a Title page and a Conclusion. Format your paper consistent with PAP guidelines as described in team the Assignment Format – Easy Version document and the Work Individual Assignment Outline document posted in the Course Materials forum located Just below the Chat Room. * Post your assignment in the Assignment Section on your student web page. Post an Individual Certificate along with your assignment, not part of your assignment. 80%
