person

Our guests have commented and praised about the lakeside setting, breathtaking scenery and unparalleled customer service. The guests who enjoyed this package last year have recommended it to their connections and already we have bookings to fill 70 percent of our capacity. But we wish to extend the opportunity to new and brilliant golfers like you.

The special price we have arrived is beyond comparison, as the packages in lower rated resorts are at least 15% higher than ours and we do not charge extra for the amenities. As an invitee please drive in, enjoy the stay and drive out with rejuvenation and pleasant memories. Be as you are at home! We truly look forward to receive you as our valued guest. Please contact us through any media, mention your name and quote the number mentioned at the top of this letter. You may book this package for any of the weeks before 31st May 2014.

Sincerely,

Allen Wood
