disadvantages to  
essay

**ASSIGN  
BUSTER**

By this he is losing control over the business and also make some disagreements inside the working staff, as they want their leader. Moreover, These business trips need a significant sum of money, that's why, he should have a set budget of spending on his business trips-so, budgeting will reduce irrational spending on traveling and will improve a worker's discipline. However, The main disadvantage of using budgeting to Q. V. is that this process is too time consuming and really difficult in Q.

v. case.

An implication of this is that this process may just turn to a waste of time, because there may be a problem in gathering information and also in the absence of clear policy. Moreover, There is also a problem of Van's random giving of discounts which is not helping the stability and validity of the budgeting process. So, the budget set in this case will be pointless.

Discounts which is not helping the stability and validity of the budgeting process. This is an issue of culture and one that Even will need to address urgently.

The appointment of Liz Walker may help to increase the importance of budgets at Q. V. as she had previous job experience overseeing the budgeting for a large marketing firm.

To sum up, I think that it is a good idea to use budgets as an aid to decision making as it will help in the efficiency and control over the business, but overall, I think that this idea doesn't work.
