

Two work told me that
bobbio had stopped

**ASSIGN
BUSTER**

Two summers ago I started working at this gun shop. Its not a great job but its money I didn't have before. While working there, I met a guy by the name of Daval Snuff. He's real smart(even though he dropped out of highscool) funny, nice, and knows a lot about guns. Two of Daval's best friends, BoodaSac and Feebus, told that he had a little crush on me.

The problem was, I already had a boyfriend. When I told Daval about Bobbio, my boyfriend, he threatened to kill him. He said he would literally kill him over me. It may sound weird but, I was flattered.

I didn't know if he was serious about it or not, so I took a vacation. While on vacation I went to church and had a good prayer with Pastor Mickey. He simply told me not to believe him. On the fourth coming day of her vacation the guys at work told me that Bobbio had stopped by the store.

They also mentioned that he met Daval...When I called Bobbio no one answered, I got suspicious.

Little did I know that Daval had invited him to go hunting. What Bobbio didn't know was that Daval was hunting for HIM...Little did Daval know, Bobbio was a trained assassin for the MM(Mexican Mafia).

Bobbio knew something was up when Daval shot him with a tranquilizer dart, but Bobbio being the trained assassin that he is took the dart out and sucked the poison out and spit it in Daval's eye. The deadly poison from the dart severely wounded Daval's eyes leaving him blind and alone. With Bobbio gone, Daval was left to fend for himself. Daval alone and searching for food stumbled upon what he thought was to be a meal, was actually the

dreaded Poontang Bug which quickly killed Daval. Bobbio and I are married with nine children, each one named after a Poontang bitten Daval Snuff. No one ever talks about the day when Daval and Bobbio went hunting and only Bobbio returned (hints the name THE DAVAL SNUFF PROJECT) Words/ Pages : 424 / 24
