Grand Canyon university prepares learners to become global citizens, critical thinkers, effective communicators, and responsible leaders by providing an academically challenging, values-based curriculum from the context of our Christian heritage.

The curriculum at GUCCI is designed to prepare students with the skills and knowledge needed in the contemporary job market. Students are challenged

to develop these tools and to push their intellectual limits in order to become successful in their careers. Vision Grand Canyon University is a premier Christian university educating people to lead and serve. Mission Grand Canyon University prepares learners to become global citizens, critical thinkers, effective communicators, and responsible leaders by providing an Christian heritage.

The curriculum at GU is designed to prepare students limits in order to become successful in their careers. In addition, the curriculum fosters personal discovery so that students realize within themselves the elements of compassion and accountability. A uniquely important element of the GAL mission statement is the defining attribute of its Christian heritage. The GAL community defines its culture by the way its members reflect a committed relationship with Christ and creates the GU experience in a manner that reflects His teachings to support students and graduates through a successful life journey.

These normative Christian values are integral to the development, maturity, and education of ethical and morally respectable citizens who continue on the path of life-long learning. Each element or objective of the GUCCI mission statement is uniquely addressed in the GUCCI curriculum and by the GUCCI culture, which shapes a rich learning environment from which students graduate with professional and life skills. When learners graduate from GU, our expectation is that they will be global citizens, critical thinkers, effective communicators, and responsible leaders. .
