SUBJECT : Managerial functions utilized in the construction of Humber's L building cafeteria (Food Eatery).

The project entailed interviewing top L-Building Eatery's director concerning diverse and vital managerial functions applied in the completion of Food eatery project. Interview's focal objective meant to establish meticulously how L-Building Eatery's Food Service Director, managed to implement project's aspects and attained the set target within the set duration. This encompassed effective incorporation of both managerial roles and functions by the director to achieve the firm's target of completing Food Eatery project.

The group interviewed; Jose Jurdo (jose.jurado@humber.ca)

Food Service Director – Lakeshore Campus

Telephone number: (416) 675-6622 ext. 3323

The task aimed at establishing how Food Service Director, Mr. Jose Jurdo executed his managerial expertise in the completion of the planned Food Eatery construction. The Food Eatery meant to offer both the staff plus the student quality balanced meals due to its location at the campus' center. Additionally, the group scrutinized the project chart to ensure Jose Jurdo's controlling function keenly kept the project's deadline coupled with effective
