

Student resources worksheet essay sample

**ASSIGN
BUSTER**

Resources provided by University of Phoenix can contribute to your academic, personal, and professional success. Support resources include a variety of helpful websites and tools that can assist you in completing assignments, connecting to other students, and searching for careers.

Instructions

Complete the following Scavenger Hunt Matrix regarding student resources provided by the university. In the first column, list the steps used to locate each resource. In the second column, explain how each resource might contribute to your success.

Scavenger Hunt Matrix

Student resource

List the specific steps you used to locate each resource.

Explain how you can use each resource to support your academic, career, or personal success. Course syllabus

Once signed in on the home page there is a link under current class to click the word syllabus The syllabus is one of the most important things to me so that I can never forget an assignment and also know ahead of time things I can work on. Academic policies

Click the program link at top across from home page and then click on academic catalog once you open the catalog on the left click academic policies The information is very helpful to know.

Instructor policies

In the class home under instructor announcements there is a link for instructor

policies This information is very informative.

University Academic Catalog

Click the program link at top across from home page and then click on academic catalog This is very helpful information

PhoenixConnect

Once logged in at the top there is a link to click that says PhoenixConnect

This is great also

University Library

Once logged in at the top there is a link to click that says University Library I

know this will always be helpful throughout my entire time at the university

Center for Writing Excellence

Once logged in at the top there is a link to click that says library once you

click on library there is an additional link for the center for writing

excellence. I think this is very useful and may always be a future

requirement. Student store

Once logged in scroll to the very bottom of page in gray area and click link

that says student store. I like the fact that we have a student store it gives a feel of a traditional campus university.

University Marketplace

On the home page this is a list of quick links on the left and you can click

university market place

I have not viewed all the information but seems to offer a lot Life Resource

Center

Once logged in on left under quick links

<https://assignbuster.com/student-resources-worksheet-essay-sample/>

Very informative

Phoenix Career Services

Once logged in at the top of page click careers

Will be very useful in the future

Student workshops

Once logged in under quick link on the left of home page

Will be very helpful

Technical Support phone number

At bottom of school homepage click contact us and they will list technical support numbers and emails Will use as needed
