

To kill a mocking bird

Sweet love, sweet love, trapped in your love I've opened up, unsure I can trust My heart and I were buried in dust Free me, free us You're all I need when I'm holding you tight If you walk away I will suffer tonight I found a man I can trust and boy, I believe in us I am terrified to love for the first time Can you see that I'm bound in chains I've finally found my way I am bound to you I am bound to you So much, so young, I've faced on my own Walls I built up became my home I'm strong and I'm sure there's a fire in us Sweet love, so pure I catch my breath with just one beating heart And I embrace myself, please don't tear this apart I found a man I can trust and boy, I believe in us I am terrified to love for the first time Can you see that I'm bound in chains I've finally found my way I am bound to you I am bound to Suddenly the moments here, I embrace my fears All that I have been carrying all these years Do I risk it all Come this far just to fall Fall I have entrusted, boy, I believe in us I am terrified to love for the first time Can you see that I'm bound in chains And finally found my way I am bound to you I am, ooh I am I'm bound to you
