It was also the first of many books that were published by trump Reality Show: Did you know that in 2007, Trump received the 2, 237th star on the Hollywood Walk of Fame for his role as producer of " The Apprentice." Trump had a reality show that was called The Apprentice. Pretty much what that show did was he would give

people a job to do, and if they didn't do it well enough then he would Tell them, " you're fired.

" He would fire them if they weren't good with the money, or they made their team lose. This reality show, The Apprentice, the contestants were people who wanted to be a boss in one of Trump's businesses. Current Wife and Family: Trump's current wife is Melania Trump. They live in the white house where he is the president. Before Trump became the president of the United States, they lived in Manhattan, with their child.

Where he got all of his money: When Trump was a child his father gave him, according to Trump, " a small loan of a million dollars." This was meant to help him by becoming to the top of the business world. But by his father's ' small' loan helped Trump a lot to help him make the business and hire workers. Election: Donald Trump ran for president in 2017. He was one of the final two parties running for president. It was either Trump or Hillary Clinton, wife of former president Bill Clinton.

Hillary and Trump battled head to head in a close battle. Trump won the Electoral College with 304 votes compared to 227 votes for Hillary Clinton. Trump won 30 states as Hillary only won 20 of them. Being president: Trump has been president for over one year now. Well, one year and one month.

He has already done some pretty powerful things, such as getting in a fight with North Korea's leader Kim Jong-un. They have gotten in fights and that has been leading Kim Jong-un to launch rockets over Japan. Since we are allies with Japan if North Korea nukes Japan everything could turn around for the worst and since every Country is allying with everyone else.
