

Literature,
acceptance of the
establish order, the
spirit

Literature, we as the students must be familiar with literature.

So, what is literature? Literature is the source used to describe anything from creative writing to more technical or scientific works. . Literature can also be interpreted as a references used to get information or materials or scientific sources commonly used to create a work of writing or any other scientific activity. Literature can be a book. Form of literature can be softcopy or hardcopy. Softcopy means the material is the form of data in computer, and hardcopy means the material is from book and has been printed.

In literature, there are some periods such as the age of Chaucer. In the age of Chaucer, there are some historical events such as Black Death (the terrible plague) bringing poverty for people, unrest, social and intellectual movement, the corruption of the church. And there are some literary features in this period, the first is the standardizing of English, the English language has been up to the standard of the east midland speech, the language of the capital city and the universities.

The second is modern note, the spirit of criticism, the story was not about religion or king but it was about human, less complement acceptance of the establish order, the spirit of drama and the age of anonymity is passing away. The third or the last is prose and the last is Scottish literature. The age of Chaucer, in this period there are some figures like Geoffrey Chaucer that was famous work in this period. He was born a normal person. Geoffrey Chaucer is a smart person.

So he is easy to evaluate the character of people. Geoffrey Chaucer was born in London. He was a British poet and also philosopher. He is often <https://assignbuster.com/literature-acceptance-of-the-establish-order-the-spirit/>

called to as the father of English Literature. Geoffrey Chaucer wrote many works in this period, but the famous work of Chaucer is about story of The Canterbury Tales. But sometimes he considered that he became the first authors that show of English to write literary works and not to use French. Geoffrey Chaucer married with Philipp.

They married around 1366. Chaucer and Philipp had one daughter and two sons, Lewis and Thomas. When he was in Italy at 1372 and 1378 he find out the works of Dante and Boccaccio and because he find that so it is influence the work of Chaucer. In 1370, Geoffrey Chaucer was sent abroad for a diplomatic mission and his last mission took him to Florence and Genoa, and in Italy he may deepen his poetry. Geoffrey Chaucer stayed in London until twelve years. At the time, Geoffrey Chaucer's period is begin, which includes the works such as Anelida and Arcite and also Parlement of Foules.

Chaucer set up residence in Kent, where he was chosen became a peace judge in 1386. And that time his wife died. Chaucer period is consider to begin at this time, marked by writing of the Canterbury Tales. The effect of Geoffrey Chaucer's poetry is about moral, but it does not to describe Chaucer as a moralist.

Geoffrey Chaucer is a good listener. Geoffrey Chaucer was called the "Father of English literature," because Geoffrey Chaucer wrote the poetry was still written in Anglo Norman or Latin. Until less than a year before his death, Geoffrey Chaucer remains a clerk at Westminster palace. The clerk is a court official to help the judge make a decision in the trial process. He also rented a house in the garden of the Lady Chapel of Westminster Abbey. And
