

# Asphalt markets in china essay

**ASSIGN  
BUSTER**

Asphalt Markets in China China's demand for asphalt has grown at a fast pace in the past decade. In the next five years, both production and demand will continue to grow. This new study examines China's economic trends, investment environment, industry development, supply and demand, industry capacity, industry structure, marketing channels and major industry participants. Historical data (2003, 2008 and 2013) and long-term forecasts through 2018 and 2023 are presented. Major producers in China are profiled.
