If I have a lot of money, I will spend it by travelling around the world in 10 days with my friends. The country that I plan visit is Australia, Japan, Canada, Singapore. The purpose of this trip is to enjoy and relax our mind. The first day, I wake up at 7 o'clock in the morning and meet my friend at the KLIA at 8 o'clock. Our flight will be depart at 11 o'clock. We took the plane for 9 hour and finally arrive at the Melbourne Airport, Australia at midnight. After that we search for the hotel that we have booked named Melbourne Hotel get some rest for the day.

The next day we will go to state capital of New South Wales, Sydney. One of the famous place you have to visit in Sydney is the Sydney Opera House. There they got 1000 rooms, 300 corridors and hundreds of tales and secrets. The next day we'll go to the Art Gallery of New South Wales. the Gallery is one of Australia's leading museums of art and a Sydney institution, with five levels presenting a diverse range of art. And that's the end of the second day. The third day, we'll take flight from Australia to Japan also for 9 hours.

There we arrive at the Haneda Airport, Japan. After that we stayed at Hotel Metropolitan Tokyo. The third day, we'll go to the Japan's communications and observation tower, Tokyo Tower. The tower acts as a support structure for an antenna. Originally intended for television broadcasting, radio antennas were installed in 1961, but the tower is now used to broadcast signals for Japanese media outlets. The next day, we go to the Kaminari Gate in Asakusa, Tokyo. The Kaminari Gate was first built in 941 by Taira no Kinmasa a military commander. 2] It was originally located near Komagata, but it was reconstructed in its current location in 1635. The fifth day, we go to the Shinjuku for shopping because the Shinjuku is the center of this large district

home to many malls, stores, restaurants. The sixth day, we'll take flight from Japan to Canada for 10 hours and 50 mins.

We arrive at the Montreal-Pierre Elliott Trudeau International Airport, Canada. We stayed at the Le Petit Hotel, Motreal and rest for the day. The next day, we'll go to the Basilique Notre-Dame. This Catholic church has a stunning medieval-style interior that features walnut-wood arvings, exquisite stained-glass windows, 24-carat gold stars in a vaulted blue ceiling, as well as one of the largest Casavant organs in North America. The next day, we'll go to the Mont (Mount) Royal. This 764-foot mountain provides excellent view of the city and is a popular recreation spot. The ninth day, we'll take flight to Canada to Singapore about 16 hours and 30 mins. We stayed at the Marina Bay Sands. The next day we go to the Merlion Park. Merlion is a mythical creature with the head of a lion and the body of a fish, used as a mascot and national personification of Singapore. And the next day me go back to Malaysia
