

Janae gaskins specific purpose

[Sociology](#), [Communication](#)

Janae Gaskins Specific Purpose: The purpose of my presentation is to convince the audience that school uniforms shouldn't be a requirement in high school. Type of Persuasive Speech: Speech to convince I. Introduction 9 pts

A. Attention-Ask Question: How many of people wore school uniform in high school? B. Relevance : That school uniform shouldn't be mandatory in high school. This the age where we know what's appropriate or not so why take this privilege away from these teenagers. C. Purpose/Thesis statement : To refute the claim that high school students shouldn't have to wear school uniform. D.

Preview of how you will arrange your arguments and rebuttals in the body. (Arguments should answer the question " why" or " how" in response to your purpose, and be stated in parallel form.) (6 points) The two arguments I will present are: a. Expenses/Variety b. Takes freedom away(Diversity) The solution: c. Signing a contract I. Body To begin lets start with my first argument A. Expenses /Variety 1. They are Expensive. A. Opposition: People think that uniforms are more affordable than normal clothing therefore they prefer to buy uniform than normal clothing B.

Rebuttal: A School shirt costs more than the average shirt a teen wears outside of school 2. Not big variety to choose from a. Opposition to argument i. subordinate idea (support example, statistic, fact, quote, etc) b. Rebuttal (response) to that opposition i. subordinate idea (support example, statistic, fact, quote, etc) transition B. State the Argument (from preview) 1. subordinate idea (supporting example, statistic, fact, quote, etc.) a. Opposition to argument i. subordinate idea (support example, statistic, fact, quote, etc) b.

Rebuttal (response) to that opposition i. subordinate idea (support example, statistic, fact, quote, etc) transition C. State the Argument/Solution (from preview) 1. subordinate idea (supporting example, statistic, fact, quote, etc.) a. Opposition to argument/solution i. subordinate idea (support example, statistic, fact, quote, etc) b. Rebuttal (response) to that opposition i. subordinate idea (support example, statistic, fact, quote, etc) II. Conclusion 6 pts A.

Summary of arguments & restatement of thesis B. Visualizing the future and/or call to action or acceptance C. Memorable thought/closing statement or “ clincher” Sources Cited Here you will give the full MLA-form citation for ONLY those sources you plan to orally cite (quote/paraphrase) in your speech. (You don’t orally cite in MLA format!)3 sources, cited correctly = 3 pts 1. (at least 3 citations) 2. (all sources, including on-line sources, MUST have an author; anonymous will not receive any points) 3. (must use a combination of sources: . gov; . edu; . org; . com; books, periodicals, media; etc)
