Chris My body is yearning for your hand, and this broken heart lonely stands. I wait for your gentle kiss, and those soft lips I really miss! Your bright eyes and the way you smile, they only last for a while, But I will wait for you here, until you come and dry my last tear, I just want you to know, I will always be waiting for you. Marika Armstrong I Love You With All My Heart When things are changing all around us and the world seems to move too fast, don't forget, I'll be right beside you. So when you look ahead to future changes, or think about how the past used to be, Don't forget to look beside you because that's where you'll find me loving you with all my heart. That's one thing you can count on that will never change!!!! S. L . Y. You are my everything How you and me became 'WE', I'll never know. But now that I have you I can never let you go. It shouldn't be legal, A love like this. I love you more, With every stolen kiss The light in your eyes, Gets me through each day. Forever in your arms, Is where I want to stay. (dedicated to the love of my life Doug) Lizz Could It Be Love?! When I see you; my heart sinks down to my belly, my legs turn to jelly. I hear your voice and my ears melt... this is a feeling I have never felt. You are my very first thought in the morning, and my last night fall. I want to grow old with you, I know this feeling is true! What is this feeling? \* Lindzi \* When Being in Love is Gone The truest and rarest love. going crazy, madly insane, still together after all the pain, Everything is gone, all you have is him. Now you know you love him, this will never change. The truest and rarest love, after being in love is gone. Criselda Hernandez I love you Your presence makes my heart want you... and my body yearns for your touch. The energy that runs through me makes me long for you..... so much If only I could hold you and have you next to me Maybe

this aching that I feel would finally set me free I stand here waiting... praying to finally be by your side Oh God ... please help... help me learn how to survive! Megan forever to hold never too old forever to hold, even when gray and old. for you are mine forever to hold with these few words let joy fill your heart with these kisses let love fill your heart with these hugs let warmth fill your heart for you are mine forever to hold. john kaingu Jr My Special Night light The night light that keeps us safe The light that we embrace The moon so peaceful and true The same peaceful light that I see in you You watch over me And I watch over you I know together our love will always bloom I long to touch you You long to feel me our love gets stronger each day The special light that keeps us safe The fullest light that I embrace... Babydoll as long as you are near Yesterday is gone today is here tomorrow is near and I will never fear As long as you are near Steven Hays
