The initiative is also instrumental in supporting the lives of victims of violence through the provision of emergency shelter and counseling services. Through donation towards this course, I believe that it will put a smile on the face of the victims. The contribution that I will give towards this vital course will help children nurture their reading and studying skills as they grow and develop into teenage. I will be joining the YWCA fraternity in implementing their mission that is to help foster healthy women, healthy families, and thriving communities. Children form a fundamental part of the family and society, and I hope that sharing books will help them in acquiring education just like regular kids.
