

What makes you beautiful

[Business](#), [Marketing](#)

You're insecure

Don't know what for

You're turning heads when you walk through the door

Don't need make up

To cover up

Being the way that you are is enough

Everyone else in the room can see it

Everyone else but you

[Chorus]

Baby you light up my world like nobody else

The way that you flip your hair gets me overwhelmed

But when you smile at the ground it aint hard to tell

You don't know

Oh Oh

You don't know you're beautiful

If only you saw what I can see

You'll understand why I want you so desperately

Right now I'm looking at you and I can't believe

You don't know

Oh oh

You don't know you're beautiful

Oh oh

That what makes you beautiful

So c-come on
You got it wrong
To prove I'm right I put it in a song
I don't know why
You're being shy
And turn away when I look into your eyes

Everyone else in the room can see it
Everyone else but you

[Chorus]

Baby you light up my world like nobody else
The way that you flip your hair gets me overwhelmed
But when you smile at the ground it aint hard to tell
You don't know
Oh oh
You don't know you're beautiful

If only you saw what I can see
You'll understand why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know
Oh oh
You don't know you're beautiful
Oh oh
That's what makes you beautiful

Oh

oh

That's what makes you beautiful

I like this song because it makes a girl feel special. It's one of my favourite songs from One Direction. One of the relations in reality that I could relate to this song to is when girls say they are fat, ugly, not loved, or cared for. It's basically having a low self-esteem, or feeling insecure. Everyone is beautiful. Maybe not a supermodel body, and a beautiful personality, but everyone has something that makes them, simply them. No matter what you look like, fat, skinny, short, big, small, it doesn't matter. We all are different, in a good way. We have our own liking and disliking. We have different beliefs, and religious views.

We also have different families, and lifestyle. And still, no matter what, we are equally beautiful. I don't really have any other relations I could make from this song to my life. And the last thing I need to say before I leave is, everyone is beautiful, and don't think otherwise!
