

Lord randall

**ASSIGN
BUSTER**

deathbed what does " make my bed" really mean? convo b/w a grown man & his mom. he tells her that he's tired, has to lay down, and asks her to " make my bed". he's been hunting in the woods; when his mom asks him where he ate dinner he says he ate with his true love. he asks her again to make his bed. his mom asks him where his hunting dogs are and he says that they died (they were poisoned). his girlfriend poisoned him too and he knows he is going to die.

summary repetition what technique is used in Lord Randall?
