“ Thinking should become your capital asset, no matter whatever ups and downs you come across in your life.” | “ Thinking is progress. Non-thinking is stagnation of the individual, organisation and the country. Thinking leads to action. Knowledge without action is useless and irrelevant. Knowledge with action, converts adversity into prosperity.” | “ When you speak, speak the truth; perform when you promise; discharge your trust... Withhold your hands from striking, and from taking that which is unlawful and bad...” | “ What actions are most excellent? To gladden the heart of a human being, to feed the hungry, to help the afflicted to lighten the sorrow of the sorrowful and to remove the wrongs of injured...” | “ Away! Fond thoughts, and vex my soul no more! Work claimed my wakeful nights, my busy days Albeit brought memories of Rameswaram shore Yet haunt my dreaming gaze!” | “ I will not be presumptuous enough to say that my life can be a role model for anybody; but some poor child living in an obscure place in an underprivileged social setting may find a little solace in the way my destiny has been shaped. It could perhaps help such children liberate themselves from the bondage of their illusory backwardness and hopelessness?” | “ My worthiness is all my doubt His Merit- all my fear- Contrasting which my quality Does however appear “|

Famous Quotes by A. P. J. Abdul Kalam

I'm not a handsome guy, but I can give my hand to someone who needs

help. Beauty is in the heart, not in the face. Dream, Dream, Dream. Dream transforms into thoughts, and thoughts result in action. All of us do not have equal talent. But, all of us have an equal opportunity to develop our talents. To succeed in your mission, you must have single-minded devotion to your goal. Look at the sky. We are not alone. The whole universe is friendly to us and conspires only to give the best to those who dream and work. God, our Creator, has stored within our minds and personalities, great potential strength and ability. Prayer helps us tap and develop these powers. You have to dream before your dreams can come true.

We should not give up and we should not allow the problem to defeat us. Man needs his difficulties because they are necessary to enjoy success. Life is a difficult game. You can win it only by retaining your birth right to be a person. Great dreams of great dreamers are always transcended.

Climbing to the top demands strength, whether it is to the top of Mount Everest or to the top of your career. Be more dedicated to making solid achievements than in running after swift but synthetic happiness. Without your involvement you can't succeed. With your involvement you can't fail. What is the the secret of success? Right decisions. How do you make right decisions? Experience. How do you gain experience? Wrong decisions. Love your job but don't love your company, because you may not know when your company stops loving you. " Dream, Dream Dream

Dreams transform into thoughts

And thoughts result in action."
