

I year and mostly

**ASSIGN
BUSTER**

I would like to draw your kind attention towards the insufficient number of buses plying on route _____ (Name). As you are aware that _____ (Place Name) has a religious importance and lot of pilgrims visit the place throughout the year and mostly these pilgrims commute by bus as there is no direct train service to _____ (Place Name). But then also, there are only two buses from _____ (Place), and most of the times, these buses are crowded, both these buses belong to _____ (Roadways Name), the services are nothing to mention. The buses stop virtually at all the stoppages and cause inconvenience to the passengers and a distance which can be covered in two hours, takes three and a half hours.

During the summer the plight of the passengers are nothing short of pathetic. DTC services are provided to most of the destinations outside _____ (Place Name), hence it would be a very decent idea to have at least one DTC service for _____ (Place Name), which is definitely going to improve the services as well as provide comfort to the passengers. Hope your good self will give a positive consideration to the matter and do the needful. Thanking You Yours Sincerely,(Your Name)
