London Bitcoin Forum, the Europe's Leading Conference for Bitcoin &Blockchain Innovations will take place at the QEII Centre, in the heart of London, on March 23 & 24 2016.

The London Bitcoin Forum is bringing together 900 attendees, more than 60 expert speakers and 20+ media partners for a prestigious two-day event.

The event will feature powerful keynote talks, plenty of networking opportunities, demos and panels about upcoming challenges and opportunities provided by Bitcoin and the Blockchain Technology in this new emerging reality where collaboration is the key.

Attendees that participate will have the opportunity to meet those at the forefront of the Bitcoin &Blockchain community and gain new insights from important talks like: Public vs Private Blockchains, Financial Smart Contracts, Distributed Ledger Technology.

Unlike many other events, the London Bitcoin forum will feature an important debate on Scaling Issues, Blocksize Limit, Forks and also a panel on Global and UK Regulation & Compliance.

New Speakers are welcomed to register until March 5th to join our large select audience of experts, financial executives, entrepreneurs, fund managers, journalists and an impressive speaker line-up.

The London Bitcoin Forum offers a unique opportunity for sponsors to showcase companies, product innovations or services to those that really matter, get in touch with investors or use it as a recruiting platform in the - Career Opportunities with Blockchain Companies- section.
