Law

Welcome Since 1971, PACT has been specializing in upholding justice within communities. Our target population is people in a community because most of them feel insecure in their neighbourhoods owing to criminal activities that take place herein. PACT offer services to help not only the victimizers but also victims. This we do in the most efficient way by using cost-effective resources. Other services include, providing solutions for creating safer communities. PACT operates with partners in an open and collaborative manner. We encourage a come one come all policy challenging individuals to join us. Click here to explore donor and volunteer opportunities.

#### Our Mission

Our mission is to improve the change process by challenging organizational systems and changing people's lives.

#### Our Vision

We encourage people to join either as volunteers, employees, interns and even community partners. Applications for those interested in employment and internship are available as fillable Word document or a printable PDF.

#### Problems

1. The content on the website was very shallow making it hard to edit in the first place, for example is PACT an organization or an agency?
2. Formatting options not provided.
3. Instructions not very clear.
4. A bit taxing.
