In Reference to the Graduate Trainee Sales or Letting Negotiator - Graduate  
Property Sales Position

To Whom It May Concern (Or Enter Appropriate Party Name or Department):

I would like to express my interest in an entry-level trainee position with an  
expanding estate agency. Throughout my job search and research, I have  
come to respect the professionalism that characterizes the role of a  
Graduate Trainee in Sales or Lettings Negotiator. I am confident the estate  
agency's team values and objectives would highly compliment my own  
strengths and enthusiasm for a career in Graduate Property Sales. I would  
like to be considered for a Graduate Trainee Sales or Lettings Negotiator, or  
a similar position that requires refined communication, presentation, and  
time keeping skills.

Evidence of my leadership and lettings skills are evident in the past work I  
have done with government agencies, along with my commitment to  
academics in property. My employment and educational background in  
property management and letting negotiation, have been excellent  
preparation for a career with an estate agency in Graduate Property Sales.

Please consider my application for the Graduate Trainee Sales or Lettings  
Negotiator - Graduate Property Sales. I would appreciate the opportunity to

meet with the estate agency and explore the company environment, as well as additional possible job opportunities within the company. I look forward to exchanging ideas with the estate agency concerning a career with the organization and the positive contributions I would offer as a member of the company.

Thank you for your consideration,

Arezoo Shahsavarani
