Agree Because the English language. Everyday human world. Need to use it in life in terms of trade flows of the world's talk. Because all major countries or the world. Are used in English tactics and English is the most popular language in the world. English is a universal language. Importance Of Learning English

The importance of learning English cannot be overstated in an increasingly interconnected and globalized world. For the millions of immigrants that come to the United States from non-English-speaking countries every year, learning to communicate in English is important to enter and ultimately succeed in mainstream America. Working knowledge of the English language can create many opportunities in international markets and regions.

International Language English is the fourth most widely spoken native language in the world, and in terms of sheer number of speakers, it is the most spoken official language in the world. It is the primary language used in international affairs. The English language has official status even in nations where it is not the primary spoken language. English is indisputably the primary language of global trade and commerce. In many countries, most tourism authorities and other officials in contact with the public speak English to interact and engage with tourists and immigrants Digital Age.

While progress has been made in language-translation software and allied technologies, the primary language of the ubiquitous and all-influential World Wide Web is English. English is typically the language of latest-version applications and programs and new freeware, shareware, peer-to-peer, social media networks and websites. Software manuals, hardware-

installation guides and product fact sheets of popular consumer electronics and entertainment devices usually are available in English first before being made available in other languages.
