

Life in 19th century

Life

**ASSIGN
BUSTER**

19th century in most of the world was when they experienced immense growth and change. This was the period of the second Industrial Revolution, European Imperialism. Most of the Asian Countries were brought under European rule. The second Industrial revolution led to urbanizing most parts of the world mainly Europe and America. There were numerous important inventions during the 19th century such as Steam Engine, Telegraph, Rifle, telephone, Locomotive, Light Bulb and much more.

The 19th century was when there was a great social change. Abolition of slavery took place in the 19th century. Life expectancy was around 40 -45 years in the 19th century. Some of the people who were born in the 19th century were Adolf Hitler, Albert Einstein, Swami Vivekananda, Nikola Tesla, Marie Curie and Charlie Chaplin.

Journalism had undergone enormous changes and was playing an important role in the 19th century because of the various political, industrial changes. Journalism was not only meant for news but also for entertainment. One of the 19th-century columns in the comics was

There was a man whose last name was Rose. As a lark, he named his daughter Wild, " with the happy conceit of having her called Wild Rose." But that sentiment was " knocked out" when the woman grew up to marry a man whose last name was Bull. Weekly Journal-Miner in Prescott, Ariz., May 23, 1888.
