

Gun violence

[History](#)

Client's March Gun violence has become very common these days and it is very important to get hard on gun crimes otherwise the situation will soon get out of hands.

It is very important to get tough on gun violence because gun crime has increased at a significant rate in the recent past. People are using guns against each other in the US, hand guns can be found commonly and this is really a bad sign. It is also reported that most murders that take place in the US are carried out with the help of a firearm and in most cases it is a hand gun.

“ In 2005, 11, 346 persons were killed by firearm violence and 477, 040 persons were victims of a crime committed with a firearm. Most murders in the United States are committed with firearms, especially handguns.” (Gun Violence)

These statistics are very alarming and it is more of a national issue, the recent statistics are even worse. It is really easy to get weapons and especially guns. It is very important to bring about a change and it should be done soon. It is important to ensure that people do not get their hands on these guns easily, it is sure to bring down the crime rate and especially gun violence. There must be stricter laws in place to ensure that people do not get easy access to arms, this is a certain way of bringing down gun violence.
