

Chapter 3 summative assessment:

[Countries](#), [Canada](#)

Chapter 3 Summative Assessment: Task: Create a “ Canadian Charter of Rights and Freedoms For Dummies” DUE DATE: Purpose: To demonstrate your understanding of the Canadian Charter of Rights and Freedoms Linked to: I Can statements (Knowledge Outcomes):

- How does the Charter protect individual rights and freedoms?
- How does the Charter affect law making in Canada?
- How does the Charter affect the workplace?

|| You are an expert on the Canadian Charter of Rights and Freedoms. You have been hired to write an easy-to-use guide of the Charter for all Canadians. The || publishers have given you specific requirements for this guide, and you must include the following: || | Chapter 1 How does the Charter protect individual rights and freedoms? || History behind the Charter || Purpose of the Charter || Rights and Freedoms: || a) Define rights and freedoms || b) List and explain, the Canadian citizens’ basic rights and freedoms listed in the charter, and give a real life example for each. || c) List the corresponding responsibilities of citizens in order to uphold the charter. ||

Analyze #1: Citizenship is about building a place for yourself and other in society. To what extent does the charter support this goal? || Analyze #2: Write and explanation describing how things would be in Canada if we did not have the charter. || | | | | | Chapter 2 What does the Charter reflect about today’s society compared to the past? || Summarize the 5 events from Canada’s history || List the consequences that government actions had for the rights of individuals for 2 of the events. || Choose 1 of the events and CREATE a CAUSE and EFFECT chart follow the guidelines on page 104 || Summarize your conclusion — How do the consequences affect our understanding of the Carter today/ || | | | | | Chapter 3 How does the Carter

affect law making in Canada? | | 3 examples involving Canadians using the Charter of Rights and Freedoms to change the laws. | | Picture page (poster)
