

# Dirt road home

Henry Mitchell " Hal" Main character  
Carla Hal" s girlfriend  
Jack Head of Minister's. They have a tattoo of a cross burned into the back of their neck with a nail. Paco Head of the Hell Hound's- tattoo around their wrist.  
Caboose Feet smelled horrible. never said anything. Everyone left him alone. Finally got out on his 18th birthday. Was going to all the guards homes, one by one, and kill them. Lived in a junkyard. Officer Pete Nice guy. Came and picked Hal up at his house to take him to Hellenweiler. At the end of the story, one of the officers that came to the school. Burying trash, land fields Covers up all of the old and new can grow on top of it.  
Setting Hellenweiler boys school in Tuscaloosa, AL Uncle Tom Has a lake in Livingston where Hal loved to fish with his Dad. First boys school Hal went to Pinson. Moon Blake Indian boy that was raised by his Dad in the woods. Hal met him at Pinson and they escaped together going to the Talledega National Forest. Moon taught Hal that no matter how hard things are--you can't stop trying. Mr. Fraley Superintendent of Hellenweiler Mr. Pratt Head of security Washroom confessional What was stolen from Hal's trunk Soap and stationary name of gangs Ministers and Hell Hounds Sergeant Guva The floorwalker Paco's analogies He talked about the pine trees being weathered by the storms and becoming delineated ( weak.) The pine beetles would come and attack the tree. Also about the lions and how they were able to smell the sick and weaker animals and those are the ones they would attack.  
Where is Carla's school? Gainesville, Al. Why did Hal get sent to Pinson? He was stealing bicycles and threatened his mom. Who did he meet at Pinson? And why didn't he stay there? He met Moon Blake and he escaped with him. That is why he was transferred to Hellenweiller. What did Mr. Fraley refer to the boys as? Dogs, mutts, golden retrievers and labs. He also said the boys
