

Laziness: education and minimum acceptable standards

Answer There are many causes for laziness, but I think one of the biggest causes of student laziness isn't laziness at all. I used to be called lazy a lot in school and it was never a matter of being lazy, it was more because I struggled with the understanding and the teachers would put me down so much that I felt stupid asking questions. When you hear over and over that the answer should be easy but it isn't you eventually just give up. It's not because you're lazy at all. 1 Additional Answer

There are students that are very lazy in doing things like their homework and other school activities. Those lazy students might be under depression disorder. Usually they find things are so boring. This kind of disorder can be treated by therapy and medications. Q&A Related to " Why are Students Lazy how to motivate lazy students? 1 . Reward your students for participating in class. These rewards don't have to be fancy; a simple " good job" is often enough to make a student feel great. The more a student [http://www. Owe.
